**Preliminary Inventory**

**UA 050**

**Qty.: 49.5 c.f. (40 cartons, 22 document boxes, 1 large flat box, 1 small flat box)**

**ABSTRACT**

The Office of International Affairs was created in 1987 from the preexisting Office of International Programs and the International Student Services Office to provide services to IUPUI faculty, staff, and students seeking to study abroad. The Office also works to bring international scholars and students to IUPUI, and to forge partnerships with universities around the world.

Records include correspondence, reports, publications, application files, and other materials.

**ACCESS**

Personnel and student records and other personal information in these records are restricted. All other material is open to the public without restriction. Copyright laws of the United States (Title 17, United States Code) govern the making of photocopies or other reproductions of copyrighted material.
